

# PAPER PRESENTATION -- INGENIOUS PAPER

Clubbing energy efficiency with renewable energy will give us the much-needed window to incubate the renewable energy sector, particularly large solar, without having to increase the price of electricity. - Jamshyd Godrej.

These are possible only with innovative ideas and works. Do you have any such idea, performed research work, any model or prototype? ENERGEIA'17, organized by Department of Energy and Environment, NIT Tiruchirappalli provides a great platform to present your ideas. Come with your paper and showcase your innovative idea.
